## EXPERIENCE

*(Jan 2017 – Present)*

**Freelance**
Navan, Ireland

### Web Developer

Plan, design and develop WordPress sites for clients. Setup domains, emails, migrate and backup data, configure servers. Support clients by phone and email. Design and develop Vue.js static sites and deploy to Netlify.

*(Apr 2015 – Nov 2015)*

**Purple Pod**
Navan, Ireland

### Front-End Developer

I converted multiple design mock-ups into fully functional templates for an online store. I was responsible for the design and development of WordPress sites, and daily maintenance.

*(Jun 2011 – Feb 2014)*

**The DG Group / Snap**
Dunshaughlin, Ireland

### Web Developer

My primary task was to convert Photoshop mock-ups into fully functional websites. To prototype faster and save time, I built an in-house CSS framework and starter WordPress theme. I made old websites mobile-friendly, implemented responsive techniques, and tested for browser compatibility. Support clients by email.
